British Wado Federation County Membership

A Visitors' Guide

Due to the diversity of Wado and the 'Wado Evolution', we have categorised the Club List with the following guide for any potential new members considering training in Wadoryu Karate.

Historic: Following an 'authentic/historic' variation of one of the three main traditional Wado styles (Wado, Wadoryu, Wadokai, etc.).

Traditional: Following a 'traditional' method of ideology, although with minor/major 'modifications' away from any historic lineage.

Sport: Wado karate modified for the 'sport-karate', fitness and competition, etc.

Hybrid: Wado karate mixed with 'outside' influenced styles or methodology, etc.

Unclassified: Not yet categorised. The visitor may need to satisfy themselves regarding classification.

A polite reminder...

VISITORS AND STUDENTS JOINING FROM OTHER CLUBS/GROUPS

When joining a different dojo just remember: You are a new student to a new club, and you must follow the way of your new Sensei, *do not compare them to your previous Sensei or style.*

JUNIOR STUDENTS

Although children are allowed to attend many of the British Wadokai training sessions, they must understand that they will be training with **(and will be expected to behave like)** adults at all times.

PARENTS & VISITORS TO THE DOJO

Parents, visitors and guests are always welcome to visit the Dojo and watch, *if there are facilities to do so.* However, small children, babies, and other noises, such as talking, etc., can be both distracting and off-putting to both instructors and students alike. Please keep all children/babies under control (do not allow them to wander around the Dojo) and please keep **talking and other noises** to an absolute minimum; *or leave the Dojo and wait in the rest-area/reception, etc.*

Parents and Guardians are also reminded that the Instructor of the Dojo is the Sensei; please refrain from influencing students (including your own child) within the Dojo: you are not qualified or insured to do so.

CHILD PROTECTION AND HEALTH & SAFETY

All junior students must arrive at the Dojo ready to train (wearing their Gi). If a child is unable to change prior to arriving then the parent is asked to assist their own child within the changing room/facilities. All parents are asked to bring their child into the Dojo and collect from the Dojo - Please do not simply drop them off or collect them from the car-park, etc. All juniors must remain in the Dojo until collected. Mobile phones must be switched off. No photographic equipment to be allowed in the Dojo (unless previously permitted).

...Thank you for your cooperation.
